

BEULAH MISSIONARY BAPTIST CHURCH

THE SIGNIFICANCE OF BURNING THE MORTGAGE

Paying off the mortgage is not just about money—it's about freedom for ministry. Once the debt is eliminated, every tithe and offering we give can go toward ministry, outreach, and community impact.

Beulah, in our 129th Year, is building a legacy for the next 100 years of Beulah.

THE PASTOR'S VISION

FINANCIAL STABILITY

- When the mortgage is paid off, Beulah will be debt free and positioned to build long-term financial stability.
- Beulah plans to create an endowment to strengthen Beulah's future— Just as our founders left us a legacy 129 years ago, we have the chance to do the same for future generations.
- The ministry of Beulah will thrive for generations to come.

FAMILY STRENGTH

- Expand ministries, services, and programs to serve and meet the needs of all demographics of the church
- Expand Family Life Center programs for youth, seniors, health, and education
- Offer more scholarships, mentoring, and life-skills programs

CENTER OF EXCELLENCE

- Create a hub where spiritual growth, community engagement, and education meet.
- Position Beulah as a "beacon of hope" in DeKalb County and beyond.

COMMUNITY OF ENGAGEMENT

- Collaborate with businesses, banks, and civic leaders to create opportunities for families.
- Make the Beulah Community Family Life Center a gathering place not just for members but also for the entire community

THE CHURCH LEGACY

- Invest in children's and youth ministries with new technology, spaces, and experiences.
- Raise up leaders who will carry Beulah's mission forward.
- Expand the Beulah Campus
 - Explore intergenerational housing initiatives—a vision to provide safe, affordable living spaces where grandparents, parents, and children in need can live and thrive together. These homes would not stand alone but be supported by the resources of the Beulah Community Family Life Center—offering access to health and wellness programs, after-school tutoring, senior activities, counseling, and job readiness training. This integration ensures housing is not just shelter, but a true pathway to stability and wholeness for families.
